Course Description

Is your kid interested in learning the basics of blacksmithing? We will go over the safety, tools used, and we will make a few items.

Materials List:

Each student is required to bring and wear leather work gloves and safety glasses. Please wear properly fitting work clothes and closed-toed shoes. There is a \$20 materials fee required from each student at the beginning of the course, payable to the instructor. There will be a one-hour lunch break at noon; students may bring their own food or may travel a short distance to one of several local food establishments.

Material Fees: \$20.00

Materials fees will be charged for materials used in the studio and/or provided by instructors for use in the studio by the entire class. In order to keep these fees as low as possible, fees are assessed on an individual class basis and may vary from class to class depending on the number of materials used and the number of students in the class. Materials fees are paid at the beginning of the class.
